FREELAND SHOOTERS STOOL

At last a stool designed by a shooter for a shooter. This stool has a large square bag made of reliable cordura. One side has a two way zipper that opens completely up and everything is visible at a glance. No more fumbling blindly from one zipper pocket to another. This large opening allows for easy cleaning and drying out. Two easy accessible side flap pockets can be used to hold a water bottle, score book, glove or other items a shooter may want at their fingertips. The opposite side of the stool has two handy pockets for magazines.
