

# Dublin University Rifle Club Match Secretary's Report

Mark Dennehy  
Match Secretary

April 24, 2002

## 1 Summary

We attended 19 external competitions this year, down on last year's 24, but we did achieve higher scores, so we did have an improvement overall. DURC shooters competed in 3 international competitions, and a DURC shooter was the Head of Delegation in the Munich World Cup. Records are not totally complete, but as shown in the table, we have at least 142 entries in various competitions this year, and took away 13 medals and 44 prizes in total. This is quite impressive for one club. We also saw a return to Bisley this year, and hopefully this marks a resumption of the traditional involvement in competitions in the UK and abroad.

## 2 DURC competitions hosted

Foot and Mouth played havoc with last year's calendar, and this year's calendar seems not to have settled yet. As a result, we have not yet held the 2002 50m Open, but have the result of the 2001 50m Open instead.

### 2.1 DURC 10m Air Rifle Open

The DURC 10m Open maintained the high level of excellence that was set in the 2000-1 academic year. We had 35 competitors and 43 entries. All finalists shot 550 or above. Mark and Steven made it to the finals, Steven taking third place. The finals had three close competitions with tied scores, on first place, third place and fifth place. Nicola Murphy won, despite a misfire costing her nine points. Simon Kennedy donated a large sum towards prizes and as a result we now have the Simon Kennedy Air Rifle Shield for the next few years as

Competition	Entries			Prizes Won															
				Overall			Class												
	10m	50m	25yd	1	2	3	1	A			B			C			D		
DURC 10m Open	12					1												1

			142			13			4				6			8			13

a perpetual prize. Hammereli declined to sponsor us, but did send lots of caps which were given out to all the juniors.

## 2.2 DURC 50m Open

The DURC 50m Open was sponsored by Shilen Barrels, who gave us a voucher for a custom rifle barrel. This was quite a valuable prize and was given out for first place. Steven kept the prize in the club with a 585, and Ray came in second with 582 to ensure the barrel stayed with us. We also held a 50m rapid-fire competition, which proved quite novel, and which was won by Ray with a 97/100. Steven and Alan Lewis had a shoot-off for second place, which Steven won. The barbecue was a success, but this year instead of too much vegetarian food, we had too much meat. This year we must ensure that we include the other FSC shooters in the barbecue or we'll have food being wasted again.

## 2.3 Trinity Top Ten

The Trinity Top Ten has almost completely collapsed. The level of difficulty in running this big a competition was totally underestimated, and when some clubs did not respond and delayed sending their paperwork, the whole competition was compromised. The results are still unavailable, and I believe that we cannot run the TTT next year. We should instead concentrate on other aspects of the club. This is regrettable, but it is simply not possible to run a postal competition without having one person whose only job is the TTT, as opposed to having a committee member with other duties assigned to running it.

## 3 External Competitions

### 3.1 National Level

#### 3.1.1 Air Rifle Nationals 2001

<b>Venue</b>	UCD Rifle Club, Belfield
<b>Date</b>	May 12/13, 2001
<b>DURC Attendees</b>	Mark Dennehy Ben Jones Keith White
<b>Scores</b>	
Mark Dennehy	513
Ben Jones	505, 488
<b>Prizes Won</b>	
Ben Jones	3 <sup>rd</sup> Class D

DURC were asked to assist with the logistics for the Nationals by the NTSA on the basis of the standard set by the DURC Air Rifle Open earlier in the season. This was a vindication of the effort we put into the DURC 10m Open last year.

Keith White was the official scorer and statistician for the competition, as he has been for most of the 10m competitions in the past few seasons. I shot a 513 (ex600) on the first day but due to a foul-up, was disqualified from the Open when my second match had only 55 shots, one of my target cards being lost in the meleé that Sundays shooting proved to be. Ben shot very well, scoring a 505 on his first day, which was the first time he has broken 500. Ben Jones managed to get third place in Class D, beating off virtually all of the Wilkinstown club to do so (some twenty shooters!); and he was promoted to Class C. This was the last air shoot of the 2000-2001 season.

#### 3.1.2 Fassaroe 50m Open 2001

<b>Venue</b>	Fassaroe Shooting Club, Enniskerry
<b>Date</b>	June 16-17, 2001
<b>DURC Attendees</b>	Steven Watterson Mark Dennehy John Keeney Alan Smyth Joe Lalor Peter Byrne Ray Reilly
<b>Scores</b>	
<b>50m Prone Rifle</b>	
Ray Reilly	571
Steven Watterson	570
Mark Dennehy	556
Peter Byrne	549
Joe Lalor	534
<b>100yd Prone Rifle</b>	
John Keeney	555
Alan Smyth	511
Joe Lalor	338
<b>Prizes Won</b>	
John Keeney	First Place, 100yd Prone Rifle

The weather was awful on the Sunday. While we had no entrants for the Three Position match, we had great success in the Scottish Match (100yd Prone Rifle), with John Keeney winning not only the handicapped

section but the open section as well, with an excellent score of 555. 50m saw more entrysts, but this was Joe and Peter's first 50m competition, and I was breaking in my new gear, so we took it as a training exercise.

### 3.1.3 50m Prone and 3P Nationals 2001

<b>Venue</b>	Fassaroe Shooting Club
<b>Date</b>	July 7th, 8th, 2001
<b>DURC Attendees</b>	Mark Dennehy John Keeney Alan Smyth Adrian Costigan Peter Byrne Conor McDermottroe Joe Lalor
<b>Scores</b>	
<b>Three Position Rifle</b>	
Mark Dennehy	937
<b>Prone Rifle</b>	
John Keeney	577
Alan Smyth	569
Ray Reilly	566
Conor McDermottroe	562
Mark Dennehy	561
Peter Byrne	557
Adrian Costigan	554
Joe Lalor	522
<b>Prizes Won</b>	
John Keeney	First in Class B, Silver Medal overall
Alan Smyth	First in Class D
Adrian Costigan	Second in Class C
Peter Byrne	Third in Class D
Joe Lalor	Third in Class C

DURC entered a reasonable contingent in this year's 50m Prone Nationals and all did well. John Keeney managed to score 577 and take the overall second place, making up for Ray Reilly losing the title of National Champion somewhat. Alan Smyth also shot well, making it to the 10-shot final and placing 7th to do so. Newcomers to the 50m sport did well also, with Adrian Costigan, Joe Lalor, and Peter Byrne walking away with prizes, though Conor McDermottroe was only denied a prize by a controversial classification decision.

Only one competitor entered the three-position match however, and I did not shoot as well as I had hoped, coming in fourth but increasing my score by about a hundred points from my last 3P match. DURC was planning on training for 3P in earnest this year, using Air Rifles due to range restrictions, but time pressures on the committee mooted this idea.

## 3.1.4 DURC 50m Open 2001

<b>Venue</b>	Fassaroe Sporting Club
<b>Date</b>	July 22
<b>DURC Attendees</b>	Steven Watterson Ray Reilly Peter Byrne Alan Smyth Mark Dennehy John Keeney Adrian Costigan
<b>Scores</b>	
Steven Watterson	585
Ray Reilly	582
Peter Byrne	577
Alan Smyth	572
Mark Dennehy	568
John Keeney	566
Adrian Costigan	545
<b>Prizes Won</b>	
Steven Watterson	1st place overall, 2nd place class A, 2nd place Rapid-Fire
Ray Reilly	2nd place overall, 3rd place class A, 1st place rapid-fire
Adrian Costigan	2nd place class C
Alan Smyth	1st place class D
Peter Byrne	2nd place class D

Steven Watterson won the Dublin University Rifle Club Open, beating Olympian Alan Lewis with a score of 585. Steven had just returned from the Island Games in the Isle of Man where he won two silver medals in Air Rifle and 50m three-position Rifle, as well as a bronze medal. Steven won a custom rifle barrel kindly donated by Shilen ltd. Second place went to Ray Reilly and third to Tony Cogan who travelled to Zagreb later that week to represent Ireland in the European Championships.

The Rapid-Fire competition was won by Raymond Reilly, with an impressive 97/100. Second place was decided by a shoot-off between Steven Watterson and Alan Lewis, and was won by Steven Watterson.

## 3.1.5 Comber Open 2001

<b>Venue</b>	Comber Rifle Club, Comber
<b>Date</b>	August 4-5, 2001
<b>DURC Attendees</b>	
Steven Watterson	Mark Dennehy
John Keeney	Peter Byrne
Ray Reilly	
<b>Scores</b>	
<b>100 Yards</b>

Mark Dennehy	536
<b>Teams Competition</b>	
<i>"DURC Angles"</i>	
Mark Dennehy	567
John Keeney	583
Peter Byrne	578
Ray Reilly	579
Total	2307
	Third Place
<i>"North&amp;South"</i>	
Steven Watterson	581
Total	2332
	First Place
<b>Prizes Won</b>	
Steven Watterson	First place, teams competition
	Eight place overall
John Keeney	3rd, Class B, 50m
Peter Byrne	2nd, Class B, 100yds

The Comber Rifle Club is renowned throughout Ireland and the UK as being the toughest range in either island to shoot on. Situated so close to the shore, tidal winds are an enormous challenge, and the topography of the range means that wind conditions can change from moment to moment and one firing point can have a totally different wind direction from another only a few feet away. As a result, the 50m Open held in Comber each year is perhaps the most challenging Ireland has to offer and it is little surprise that shooters from Comber such as Olympian Gary Duff, are heavily featured amongst Ireland's best.

*Comber Rifle Club*

DURC competed in this year's Comber Open with a squad of five shooters. Logistics proved to be a stumbling block, with far too much equipment for one car. The conditions were typical for Comber - changing winds, changing light levels and occasional torrents of rain.

All of the DURC shooters acquitted themselves well, except perhaps for myself, though I had more than my fair share of problems - the sights for my rifle were accidentally not packed so I had to jury-rig a sights setup, and to add insult to injury I was bitten by some insect and had an allergic reaction to the bite.

Steven managed to display a total lack of impediment however, and made it to the finals round, though he didn't place for a medal.

*John Keeney and Ray Reilly*

*Steven Watterson reflecting between cards during the finals*

*The finals; and John and Steven relaxing after a long day of shooting*

### 3.1.6 East Antrim Festival 2001

<b>Venue</b>	East Antrim Rifle Club
<b>Date</b>	7-9 October, 2001
<b>DURC Attendees</b>	John Keeney Ray Reilly Alan Smyth
<b>Scores</b>	
<b>10m Air Rifle</b>	
John Keeney	477
Alan Smyth	485
<b>10m Air Pistol</b>	
John Keeney	426
Alan Smyth	477
<b>50m Prone Rifle</b>	
John Keeney	543
Ray Reilly	575
Alan Smyth	540
<b>25m Smallbore Pistol</b>	
John Keeney	303
Alan Smyth	427

Following the successful Freshers' Week membership drive, three members of DURC attended the EARC Festival. Due to complications with paperwork, a change of dates and the level of work during Freshers' Week, our original planned team of eight was seriously whittled down.

John and Alan shot very disappointing scores due to extreme lighting conditions early Saturday morning, where the early morning sun was directly behind the target thereby eliminating almost all contrast in the sight picture.

It's hoped that next year we will be able to send more people to EARC for the competition, this year saw a lot of factors come together to prevent this.

## 3.1.7 Wilkinstown Open 1 2001

<b>Venue</b>	Wilkinstown Target Shooting Club
<b>Date</b>	14 October 2001
<b>DURC Attendees</b>	Steven Watterson Mark Dennehy Ben Jones Peter Byrne
<b>Scores</b>	
Steven Watterson	571
Mark Dennehy	544
Ben Jones	485
Peter Byrne	453
<b>Prizes Won</b>	
Steven Watterson	3rd Place, Class A 3rd Place Overall
Mark Dennehy	2nd Place, Class B
Peter Byrne	1st Place, Class C

DURC sent a team of four to the first competition of the 2001-2 Air Rifle season. Attendance was low due to difficulties with transport and lack of training time for new club members.

The new WTSC mobile range was used: this range is currently the largest in the country with 15 firing points. It currently hosts the National Squad training sessions as well as other large competitions. Previously, only the UCD range could cope with these events.

The DURC contingent arrived in WTSC early on Sunday morning, despite having attended the Olympic Council of Ireland's seminar on coaching in the University of Limerick the day before. Mark, Peter and Ben shot on the first detail, Steven acting as "buddy" for all three. The "buddy" system, recently introduced in DURC by Steven, has proven a great success - the "buddy" acts as another pair of hands for the shooter while setting up on his/her firing point and general dogsbody during the match to minimize disruption for the shooter, who then trades role with the "buddy" on the next detail. This allows for one-to-one supervision of new shooters as well as improved performance of experienced shooters.

Steven and Mark both set personal bests of 571 and 544 respectively and both went through to the ten-shot final, where Steven had the best final score of the match. Mark was shooting with his new air rifle and other gear - and despite some silly technical errors that lost him up to 15 points, shot a PB. Proving that the right equipment can make a serious difference to performance. For reference, 570 is the Minimum Qualifying Score, or MQS, for the Olympics; 537 is the qualifying score for the National Developmental Squad; and 559 is the qualifying score for the National Squad.

## 3.1.8 UCD Open 1 2001

<b>Venue</b>	UCD Rifle Club, Belfield
<b>Date</b>	28-29 October 2001
<b>DURC Attendees</b>	Steven Watterson Mark Dennehy Ben Jones Peter Byrne Adrian Costigan Nithin Santhosh Dave Barron Colman Marcus-Quinn Ljiljana Skrba Daniel O'Neill
<b>Scores</b>	
Steven Watterson	571 (669.8)
Mark Dennehy	550
Ben Jones	491
Peter Byrne	475
Adrian Costigan	474
Nithin Santosh	430
Dave Banon	377
Colman Marcus-Quinn	359
Ljiljana Skrba	321
Daniel O'Neill	281
<b>Prizes Won</b>	
Steven Watterson	Third Place Overall Third Place, Class A
Mark Dennehy	Third Place, Class B
Peter Byrne	Second Place, Class D
Adrian Costigan	Third Place, Class D

This was the first Air Rifle competition of the season that we can get large numbers of people to, owing to the nearby location of UCD. We had ten people attend in total, breaking down to five experienced shooters and five novices, a reasonable demographic.

Steven, Mark, Peter and Adrian all shot personal bests, and secured prizes. Mark, at 550, is now set to enter class A after the next competition. Nithin, Dave, Colman and Ljiljana all shot very well for their first competition, especially considering that they had only had two or three half-hour details of shooting prior to the competition.

## 3.1.9 Leinster Indoor Open

<b>Venue</b>	Rathdrum Rifle and Pistol Club
<b>Date</b>	November 4th, 2001
<b>DURC Attendees</b>	Mark Dennehy John Keeney Peter Byrne Deirdre Ninaber Adrian Costigan Eric Farrell Michael Madigan Shane Kelly Alan Smyth
<b>Scores</b>	
John Keeney	581
Alan Smyth	578
Deirdre Ninaber	568
Peter Byrne	564
Adrian Costigan	550
Eric Farrell	550
Mark Dennehy	549
Shane Kelly	535
Michael Madigan	518
<b>Prizes Won</b>	
John Keeney	Second place overall First place, Class B
Alan Smyth	First place, Class C
Deirdre Ninaber	First place, Class D

DURC sent a squad to Rathdrum for the Leinster Indoor Open. The early start took its toll on some - I shot the worst score I have shot indoors since I began competing eight years ago. John Keeney, however, proved far more resilient and despite having travelled from Kildare only the night before, shot a 581 to take second place overall, beaten only by Dave Cullen, a 40-year veteran of target shooting, by a mere 5 points and on Dave's home range too! John also took the first place prize in class B.

In fact, DURC swept the boards in the classification prizes - first place in Classes B, C and D went to DURC shooters John Keeney, Alan Smyth and Deirdre Ninaber. Deirdre was competing in her second competition ever - having only ever shot before in the 25yd Nationals, scoring a 491. Therefore in one competition she has improved by 77 points - an incredible leap in performance which hasn't been seen in DURC in many years.

*John Keeney and Deirdre Ninaber accepting their prizes*

## 3.1.10 Fassaroe 10m Open 1 2001

<b>Venue</b>	UCD Rifle Club
<b>Date</b>	10-11 November 2001
<b>DURC Attendees</b>	Steven Watterson Mark Dennehy Ben Jones John Keeney Peter Byrne Adrian Costigan Coleman Marcus-Quinn
<b>Scores</b>	
Steven Watterson	565
Mark Dennehy	553, 552
Ben Jones	486
John Keeney	438
Peter Byrne	476, 465
Adrian Costigan	457, 427
Coleman Marcus-Quinn	441
<b>Prizes Won</b>	
Mark Dennehy	Class B, 1st place
Peter Byrne	Class D, 3rd place
Coleman Marcus-Quinn	Best DURC Novice shooter

DURC sent a small team to compete in the Fassaroe Club's Air Rifle Open (aka the WAIDAM open), with a total of 7 competitors.

The standard of competition was high, the winning score being 578 from Nicola Murphy of Wilkinstown (an ex-UCD shooter), who recently won silver in the English championship. Steven shot lower than his previous average, with his 565 beaten into 4th place by one point by Declan Kelly of the Fassaroe Club (566). (Second place was taken by Rhona Barry with 570).

Unfortunately, most of the DURC shooters were only just recovering from their annual bout of 'flu and so scores were generally down. I shot a personal best on Saturday with 553 and then reentered on Sunday hoping to push that further, but instead dropped one point to 552. Peter Byrne shot lower than he had hoped, but still managed to take third place in class D. Novice Colman Marcus-Quinn managed to increase his Personal Best score by 82 points to 441 and took the prize for best DURC novice.

## 3.1.11 DURC 10m Open 2001

<b>Venue</b>	UCD Rifle Club, Belfield
<b>Date</b>	24-25 November 2001
<b>DURC Attendees</b>	Steven Watterson Mark Dennehy Ray Reilly Liam Murray Alan Smyth Peter Byrne Adrian Costigan Dave Barron Victoria McDowell
<b>Scores</b>	
Steven Watterson	565
Mark Dennehy	554,548,533
Ray Reilly	535
Liam Murray	502
Alan Smyth	497
Peter Byrne	467,500
Adrian Costigan	456
Dave Barron	382
Victoria McDowell	363
<b>Prizes Won</b>	
Steven Watterson	Third place overall
Liam Murray	First place class D
Peter Byrne	Third place, Juniors

The annual DURC 10m Air Rifle Open is one of our two most important external competitions. Attendance was high, with 35 entrants and some 43 entrants in total, from clubs as far away as Antrim. The shoot was a registered event, which means it is one of the 6 air rifle events during the year where the scores may qualify a shooter for selection to represent Ireland internationally.

The standard of competition was higher than it has been in many years, with all eight finalists scoring above 550 in the qualifying round. Two DURC members, Mark Dennehy and Steven Watterson made it to the finals. Mark placed in last place in the finals. Steven went into the finals tied for third place with Junior Squad shooter Richard Stapleton on 565 points. A very tight finals ensued, with Richard and Steven exchanging places with nearly every shot. Steven managed to fend off Richard with his last two shots however, to take third place by 0.3 points on 662.9 points (out of a possible 709.0).

*John Keeney acting as Range Officer during the ten-shot Finals, with Ben Jones acting as Statistics Officer*

The finals saw three such ties decided - Declan Kelly and Robert Clarke started on 561 and exchanged places several times, with Declan finally winning out by 0.7 points. Rhona Barry and Nicola Murphy both started on 574, tied for first place, but Nicola proved to be the stronger shooter on the day and won by 1.1 points in total with a final score of 673.5. Nicola was in fact the story of the day - a trigger malfunction had caused her to lose 9 points in one shot during the qualifying round - that she was able to put this disaster firmly behind her and go on to tie for first place was an inspiring performance.

Other DURC members did well also, with Liam Murray breaking 500 for the first time and claiming the first place in Class D, even though he couldn't attend the award-giving ceremony. Peter Byrne also set a personal best, hitting 500 right on the nose. Alan Smyth just missed the 500 mark by 3 points. Ben Jones missed it by 6 with 494. Adrian Costigan put in scores of 467 and 456 respectively. Newcomers Dave Barron, Steven Beck and Victoria McDowell also did admirably, though they did not reach the rostrum. And Ray Reilly made a welcome return to the Air Rifle scene after a prolonged absence caused by a back injury. He put in a respectable 535.

Keith White, though he did not shoot, proved invaluable yet again as a Statistics Officer, responsible for scoring targets and tracking peoples scores during the competition, which he did using his own custom software which is due for general release Real Soon Now.

Mr. Terry McAuley, the DURC president and Director of Sport for Trinity College, graciously agreed to come to the Open and present the prizes. Fortunately, he was able to observe the 10-shot Finals and was suitably impressed by the high level of shooting. He gave a short speech on the plans for the new Sports Center and it's planned Rifle Range, and then presented the prizes. We'd like to thank Mr. McAuley for donating his time to the club for this event, as it certainly made an impression on the target shooting community.

We would also like to thank Hammerli, who sponsored us with some baseball caps for all the Junior shooters at the event, and especially Mr. Simon Kennedy, an ex-Captain of DURC, who gave a large contribution to the prize fund. As Simon was a member of the National Air Rifle Squad for many years and represented Ireland internationally in Air Rifle, we felt that the commissioning of the Simon Kennedy Air Rifle Shield was appropriate: it will be awarded each year to the overall winner of the DURC 10m Air Rifle Open.

*Director of Sport Terry McAuley presents the Simon Kennedy Air Rifle Shield to the overall winner Nicola Murphy, pictured here with Runner-up Rhona Barry and bronze medallist Steven Watterson.*

### 3.1.12 UCD Open 2 2002

<b>Venue</b>	UCD Rifle Club, Belfield
<b>Date</b>	23-24 February 2002
<b>DURC Attendees</b>	Steven Watterson Mark Dennehy Ben Jones Nithin Santhosh Rob McAdoo Ljiljana Skrba Kate Fanning Victoria McDowell
<b>Scores</b>	
Mark Dennehy	541
Ben Jones	504
Nithin Santhosh	504
Kate Fanning	442
Victoria McDowell	413
Ljiljana Skrba	382
<b>Prizes Won</b>	
Ben Jones	Second Place, class C

Our 40th anniversary celebration took place the night before, and unfortunately all this celebrating meant that our numbers were depleted, as many people were still asleep when they should be shooting!

Nithin Santhosh shot a personal best of 504 and earned promotion to class C, breaking the 500 barrier for the first time. Ben Jones equalled Nithin's score (after two successful challenges when shots were mis-scored). I reached the final and moved up to sixth place when John Woodward of WTSC had a disastrous first shot. Steven Watterson was unable to shoot as supervisory duty claimed the first day of competition and the DURC anniversary claimed the second - a shame, as given Steven's recent scores and those put in on the weekend, we probably missed out on second place in the overall competition.

Kate Fanning, Victoria McDowell and Ljiljana Skrba all shot well and improved on their personal best scores. All this means we're going to have an excellent team for the colours match against UCD, which is taking place on April 27th.

## 3.1.13 Wilkinstown Open 2 2002

<b>Venue</b>	Wilkinstown Target Shooting Club, Wilkinstown	
<b>Date</b>	March 9-10, 2002	
<b>DURC Attendees</b>	Mark Dennehy	
	Kate Fanning	
	Ray Reilly	
	Keith White	
<b>Scores</b>		
Mark Dennehy		555
Ray Reilly		547
Kate Fanning		383

Despite inclement weather and horrible driving conditions, DURC sent a small team to the WTSC Open. Shooting conditions were less than optimal as the weather caused the light in the range to vary from bright to dull, which of course upset the sight picture for the shooters. I managed to compensate, and set a new personal best of 555 points, and placed 6th in the final, fighting off Helen Meade for the second competition in a row. Ray Reilly also showed progress back to his original form with a 541.

And finally, Keith White's software for administering competitions is nearing it's first release. Already it has become the standard software for this purpose in Ireland, and he should be congratulated on this as he has put nearly 8 years of development into it, with extensive user testing.

## 3.1.14 Air Rifle Nationals 2002

<b>Venue</b>	Wilkestown Target Shooting Club, Navan, Co.Meath
<b>Date</b>	April 13/14, 2002
<b>DURC Attendees</b>	Steven Watterson Mark Dennehy Ray Reilly Keith White Peter Byrne Nithin Santhosh Adrian Costigan Kate Fanning John Keeney Rob McAdoo Victoria McDowell Doug Woolett Deirdre Ninaber Ben Jones
<b>Scores</b>	
Steven Watterson	574,578
Mark Dennehy	543,538
Ray Reilly	544,519
Peter Byrne	531,528
Nithin Santhosh	526,524
Adrian Costigan	488,522
Kate Fanning	491,500
John Keeney	506,483
Rob McAdoo	457,422
Victoria McDowell	426,419
Doug Woolett	378,427
Deirdre Ninaber	537
Ben Jones	533
<b>Prizes Won</b>	
Steven Watterson	Bronze, National Open; 3rd, Class A
Peter Byrne	2nd Class C, National Open; 3rd Class C, National Championships
Nithin Santhosh	3rd ClassC, National Open
Kate Fanning	1st Class D, National Open
John Keeney	2nd Class D, National Open; 3rd Class D, National Championships
Rob McAdoo	3rd Class D, National Open
Deirdre Ninaber	1st Class D, National Championships
Ben Jones	2nd Class C, National Championship

DURC sent a large team of 14 people (13 competitors and one administrative officer) to this year's Air Rifle National Championships, which were held in Wilkinstown this year for the first time in a decade, in the new NTSA portable range. This range shows how uncomplicated the requirements are for an olympic discipline like 10m Air Rifle. The full range seen here can be disassembled and moved in only three hours, though it does require several people and vans to move the various components. So long as an appropriately sized venue is available, the range can be used. This range should be examined with the new projectile design

in mind - it demonstrates how the most important requirement is the physical size of the hall, but also the necessity for permanent fixtures - a three hour setup time would be prohibitive in anything but a temporary range like this one.

The DURC squad shot extremely well, even given the required 5am starts on Saturday and Sunday (necessary to arrive in Wilkinstown with sufficient time to prepare to shoot). All bar myself set personal best scores, and Steven held the lead in the National Open until the last few shots. The National Open was held concurrently with the National Championship to allow for international shooters like Steven to compete. Steven managed to secure the bronze medal for DURC in the Open. He would have taken a national championship medal home, but for his passport.

The Colours squad used this event as a warm-up and training exercise for the colours match (due to be held in Wilkinstown on April 27th), and given the scores achieved, this was judged to be a resounding success. The squad learnt many valuable lessons in match strategy, and also gained some experience of shooting under pressure. Deirdre Ninaber, shooting in her first air rifle match, managed to take first place in class D with a 537, a phenomenally high score for a beginner, and which will see her moved up to class B with her next competition. This bodes very

well for the upcoming colours match, which this year is an officially CUSAI-recognised Intervarsity for the first time.

*The DURC Squad. Back Row, left to right: Doug Woolett, Ray Reilly, Peter Byrne, John Keeney, Adrian Costigan, Ben Jones, Mark Dennehy  
Front Row, left to right: Victoria McDowell, Deirdre Ninaber, Kate Fanning and captain Steven Watterson*

### 3.1.15 Colours

Colours is no longer simply the UCD/TCD colours match of old. CUSAI finally officially recognised the competition this year, and so this year is the first Irish 10m Air Rifle Intervarsity. The colours match remains, as a separate sub-competition between us and UCD, at least for the moment. Final teams have not yet been selected, but this year has seen the most serious and organised training to date for this event, and I'm happy to predict a thorough stomping for UCD, with us taking the Senior and Junior shields back.

## 3.2 International

### 3.2.1 Island Games 2001

The first Island Games were held in 1985 as part of 'The Year of Sport' in the Isle of Man. The intention was to bring together sportsmen and sportswomen from a number of small islands from different parts of the world to participate in a festival of sport. So from 14 islands - Aland, Anglesey, the Faroes, Froya, Gotland, Guernsey, Hitra, Iceland, Jersey, Malta, the Orkney Islands, the Shetland Islands, St. Helena and the Isle of Wight - athletes came to the Isle of Man to compete in 7 sports - badminton, athletics, cycling, shooting, swimming, soccer and volleyball. The 'festival' was such a success that at its conclusion the Island Games Association (IGA) was instituted and the decision was taken to hold Island Games every two years in different member islands.

This year Steven, who is a Manx native, was competing, and did splendidly well. In 10m Air Rifle, he placed third in the Individual event, shooting his first official 'tun'. We're still not sure if this is a club record though, because he wasn't shooting to represent DURC at the time. Despite a setback of shooting a 7.0 on his first shot in the final, he fought hard and managed to fend off David Turner and Pierre Goubert for third place. In the Team event, Steven and teammate Jaccie Hamilton-Jones came fourth, beaten by the Gotland, Jersey and Aland teams - though Jaccie had some problems with her air rifle causing her to shoot a very low score of 493 to Steven's 554.

In 50m 3P rifle (the most rigorous and demanding of all rifle disciplines), Steven managed to take the silver medal, beaten only by Mattias Magnusson of Gotland. It was a close race for the qualification round, as Stevens 1075 beat Birger Johansson of Gotland into third place by only one point. However, in the final Steven widened the gap to 12.4 points, taking second place with no problems whatsoever. In fact, his 89.7 was the highest score shot in the final round. In the team match, Steven and teammate Barry Jones took second place, beating the Jersey team off by only eleven points at 2064 to 2053, thus securing Steven's third medal of the Games.

### 3.2.2 Munich World Cup

The Munich World Cup was attended this year by 65 nations with nearly 650 shooters competing. Ireland sent a team of two this year, Rhona Barry (who competed in the Atlanta Olympic games) and Alan Lewis (who competed in the Sydney Olympic games). Mark Dennehy, was sent to act as Team Manager.

Alan's competition, Mens 50m Prone Rifle, did not go well for him and he missed the cutoff in the elimination round by one place, with a score of 583 (584 being high enough to qualify for the next round).

Rhona did not have an elimination round in her event, women's 10m Air Rifle. She shot a 383 in qualification, which is a Minimum Qualifying Score (MQS) for the Athens Olympic Games. This makes her the first Irish shooter to qualify for selection to fill a quota place for the games, and also one of the first Irish athletes to do so.

Mark was present in an administrative capacity during the event, and also represented the Irish contingent at the Technical Meeting and the Delegates Meeting during the World Cup.

### 3.2.3 Isle of Man Easter Shoot

The Isle of Man Easter shoot was supposed to be a major event this year. Last year's "fact-finding" mission provided the data on organisation and logistics, UCD and WTSC were all sending teams and it was going to be a large event. Sadly, however, interest fell apart in the last few days, with noone willing or able to spend the cash on attending, and with the GB Juniors training taking members of both WTSC and DURC's teams. Next year, we should be promoting this a bit more as it is an idea small-scale multi-disciplinary international event.

#### 3.2.4 Bisley Week

John, Ben, Alan and Ray attended Bisley Week this year, and happily promised a write-up. In August 2001. Which I still don't have, though we do have the photos, which are on the website. And we know Ben took fourth in the NSRA/Eley Postal Finals, which was impressive.

### 3.3 Postal Competitions

Postal competitions represent the easiest and cheapest way for DURC to compete internationally, and as such are vital to the club's competitive edge. This year we have taken on summer season postals along with the traditional winter UCESSA ones, to keep the 10m people sharp during the "off-season".

#### 3.3.1 UCESSA 25yd Prone Rifle

This competition saw it's usual share of late shooters, cards filled out incompletely and missed by me before posting. However, we had an exceptionally good year aside from this, with almost everyone who shot all their cards coming in the top three of their class. First places were taken by John Keeney, Alan Smyth and Deirdre Ninaber, seconds by Peter Byrne, myself, Adrian Costigan and Michael Madigan. Special note to Deirdre, who won nine out of ten rounds for a nearly-perfect points score of 99/100.

Division	Name	Score											Place

### 3.3.2 UCESSA 10m Air Rifle

This hasn't finished yet, but Steven's tearing off ahead as usual, currently holding in fourth place with an aggregate score of 29 points and an aggregate gunscore of 759.

### 3.3.3 NSRA 10m Team

We have entered this competition to keep the air rifle section of the club active. Shooting has not yet started, though entries are closed. DURC competitors in this competition are :

**Team 1 :** Mark Dennehy, Steven Watterson and Ben Jones.

**Team 2 :** Nithin Santhosh, Ljiljana Skrba and Rob McAdoo.

**Team 3 :** Ray Reilly, Kate Fanning and Peter Byrne.

Good luck to all.

### 3.3.4 NSRA 10m Individual

We have entered this competition to keep the air rifle section of the club active. Shooting has not yet started, though entries are closed. DURC competitors in this competition are :

Steven Watterson	Mark Dennehy	Ray Reilly
Ben Jones	Peter Byrne	Ljiljana Skrba
Nithin Santhosh		

Good luck to all.

## 4 Internal Competitions

### 4.1 Ladders

The ladders have seen a fair amount of activity over the past year. The closing date for the ladders was set at Friday, April 19. This year saw the return of the advanced classes in 10m and 25yd, for the first time in some years. Hopefully they're here to stay!

#### 4.1.1 25yd Prone Rifle

In the advanced class, Steven Watterson took first place with 98.714 points as an average, setting a new club record while doing so. Second place on 97.769 went to John Keeney, beating out Ray Reilly's 97.250 which took third. Some results have been omitted from this ladder, however, including Ray's NSRA/Eley run which also made it to the record books this year. There were 74 cards on the ladder from 5 shooters, not an unreasonable activity level.

In the experienced class, Peter Byrne's 97.1 took first, followed by Conor on 96.2 and Deirdre on 95.071. 174 cards made it onto the ladder in this section, showing the level of activity.

In the novice class, Brian Long's 91 beat out Ghandi Solayar's 90.9 by a tight margin to take first place, with W.Sim's 87.125 taking third. Activity was not so high here, with only 30 cards on the ladder in total.

#### 4.1.2 10m Air Rifle

119 cards from three shooters made up the advanced ladder, an startlingly high level of shooting. First place was, without surprise, Steven Watterson, with 95.2 as an average (some of us count that as our personal best, dammit). I got second place with 92.4 and Ray is making a good comeback to 10m with 91.1 as his average.

In the experienced class, Peter and Ben had a scrap to see who could shoot the most cards, Peter winning with a staggering 97 cards shot. (that actually 194 5-strip targets...) Deirdre, however, took first place with

87.893 to Peter's second-place 87.494, with Ben taking third place on 86.4. All very close indeed, and with a total of 330 cards on the ladder, we can be absolutely sure that the results are no fluke.

Novice class wasn't terribly quiet by comparison, 269 cards from 15 people made it the most crowded, if not the busiest of the ladders, but the level of training belies the shooters' novice status, as most of the colours squad is hiding in here doing dry-firing to train. Nithin the incorrigible took first place with 82.889, with Ye "Elena" Wang taking second on 78.636 and Kate Fanning in third place on 76.8. Nithin also shot the most cards, with 43 compared to the next nearest total of 35 (shot by both Kate and Victoria McDowell).

#### 4.1.3 25yd 3P Sporter Rifle

Sporter was very much the "try it once and walk away" discipline this year - of the 11 people on the ladders, only 3 people had the necessary three cards to qualify for a prize. In fact the top two on the ladder, myself and Steven (125 each), didn't shoot enough cards and so the first place goes to Adrian Costigan, with 123.333. Second place skips John Keeney's single 123 entry to go to Frank De Salle, who shot the most cards (8) and got an average of 122.429. Third place goes to Mick Durcan, who shot an average of 117 and 6 cards in total, skipping Ben and Michael Madigan. A total of 29 cards were shot, an extremely quite discipline. We need to get some people going to external competitions with these rifles, wheither in Silhouette or Sporter competitions, or we risk the discipline dying out altogether.

### 4.2 Championships

The championships this year were not as well-organised as last year, though they did succeed better on the social gathering side of things. Next year's committee are **strongly** urged to set the calendar for events *before the start of michaelmas term*, and to announce it widely well in advance.

#### 4.2.1 25yd Prone Rifle

25yd proved contraversial this year, with three people tied on 98 for first place. After much arguing as to whether a pip had to be clipped or obliterated to count, graduated guages were instead used to rescure the cards. Following this, Steven took first place, Adrian second and Ray took third place. Following this, it should be suggested that next year the rules be written down *\*before\** the event, and that anyone who thinks they may have first place shouldn't join the party in case a shoot-off is called for!

#### 4.2.2 10m Air Rifle

Air Rifle proved interesting this year, with equipment limitations for the first time (no trousers for anyone). Kate Fanning took first place, trouncing all comers with an 86, while Peter, Frank and Adrian all tied on second place with 80. Counting tens to break the tie, Peter took second with 3 tens, Frank takes 3rd with 2, and Adrian 4th with 1.

#### 4.2.3 3P Sporter Rifle

3P was well attended, being the first internal competition and while John Keeney left early with a 123, happily convinced of a win, Steven and Mark stomped all over this with Steven taking second with 125 and Mark taking first with 130.

#### 4.2.4 Rapid Fire

Rapid Fire was again interesting, with myself getting a really disappointing 85 (with a -10 on the last shot) - which would have been less crushing if my scope hadn't been pointed at Steven's card...

First place went to Alan with 93, second to Conor on 92 and Steven took third on 91.

### 4.3 Other

#### 4.3.1 Standards

Disappointingly, noone shot for standards this year, despite the interest shown in the NSRA version of the standards. I would urge anyone who is shooting regularly to try for the standards, and anyone on the colours team should definitely try for them. Anyone interested should contact me or the next Match Secretary.

#### 4.3.2 GB Team stuff

Though they haven't happened yet, and they're not open to DURC shooters, we ought to note that Steven's going to the Commonwealth Games on the GB team. These are at a level somewhere between the World Cups and the Olympics, and it's quite an achievement, especially given the high standards of the GB team.

And while we're at it, also note that Peter Byrne was invited to go training with the GB Juniors this easter, which is the first time we've had someone do that in many years.

## 5 Club Records

This year sees a reorganisation of the Club records by discipline. It also sees the introduction of the 3P 25yd Sporter Records, as we have not shot 4P in some time. Next year should see a more standardised approach to club records, with individual divisions having standard records - Best Individual Card, Highest Ladder Average and Best Competition Score and Best Competition Placing for all. Also, record equalling should be tracked.

### 5.1 25yd Prone Rifle

#### Best Individual Card

Andy Trayler	1993	100, 9 pips shot out
Ray Reilly	2002	100, 9 pips shot out

#### Highest Ladder Average

Ray Reilly	1999	98.231
Steven Watterson	2002	98.714

This displaces Ray Reilly's previous record of 98.231, set in 1999. However, some records are missing from the ladder, so this has yet to be verified.

#### Highest Competition Score

Score	Ray Reilly	1999	595
	(Rathdrum Autumn Open)		
Placing	Mark Dennehy	2001	Gold Medal, National Championships

#### Highest Rapid-Fire Score

Derval Tubridy	1993	98
----------------	------	----

## 5.2 100yds Prone Rifle

Best Individual Card

100yds	William Walsh	1987	200(ex200)
--------	---------------	------	------------

---

## 5.3 50m Prone Rifle

There is no Best Individual Card division, due to a lack of records. My successor should endeavour to locate records to establish who holds this record.

Highest Competition Score

50m Prone	Ray Reilly	1999	593
		(EARC Festival)	
Placing	Ray Reilly	2000	Gold Medal, National Championships

---

## 5.4 50m 3P Rifle

Highest Competition Score

50m 3P mens	Steven Watterson	2002 Easter Shoot IoM	1093
50m 3P ladies	Derval Tubridy		519

---

This displaces Simon Kennedy's 1995 record of 1084 for men's 3P.

## 5.5 25yd 4P Sporter Rifle

Best Individual Card

4P, Sling	Keith White	1993	114(ex120)
4P, No Sling	Simon Kennedy	1993	107(ex120)

---

Highest Ladder Average

Conor Tighe	1994	107
-------------	------	-----

---

## 5.6 50m 4P Sporter Rifle

Highest Competition Score

Conor Tighe	1994	160(ex200)
-------------	------	------------

---

## 5.7 25yd 3P Sporter Rifle

This is a partially new section, as the 3P records started in 2001.

Highest Ladder Average

Frank De Salle	2001	126.25
----------------	------	--------

---

Highest Competition Score

Kenneth Suzuki	2001	134(ex150)
----------------	------	------------

---

## 5.8 Prone Sporter Rifle

We have not shot this in many years apparently.

Highest Competition Score

25yd	Simon Kennedy	1994	384(ex400)
100m	Alan Murphy	1990	363(ex400)

---

## 5.9 10m Air Rifle

Best Ten-Shot Series

Conor Tighe	1995	99
Steven Watterson	2002	99
Steven Watterson	2002	100

---

Steven's tun was shot while representing the Isle of Man in the Island Games. As such, we're not sure if it should be a DURC record, but a tun in air rifle is worth remembering.

Highest Ladder Average

Steven Watterson	2002	95.2
------------------	------	------

---

This displaces Simon Kennedy's 1997 record of 94.467.

Highest Competition Score

60-shot	Steven Watterson	2002, National Open	578
40-shot	Derval Tubridy	1997	380

---

This displaces Ray Reilly's previous 575 record from 1999.

## 5.10 Fullbore Rifle

Highest Competition Score

200yds	M.G.Notley	1963	48(ex50)
300yds	M.C.C.Heaton	1962	49(ex50)
500yds	P.G.Coulson	?	48(ex50)
	P.Gardiner	?	48(ex50)
	M.G.Notley	?	48(ex50)
600yds	William Walsh	?	48(ex50)
900yds	C.Day	?	45(ex50)
1000yds	C.Oakley	?	45(ex50)

---

Note that fullbore records date circa 1960 and are spotty at best!

## 5.11 Miscellaneous Records

---

3P Air Rifle	Andy Traylor	1992	278(ex300)
Triathlon	Conor Tighe	1994	298(ex300)
University Top XX	Albert Jordan	1998	7 points lost
		first Irish shooter to win Individual Gold Medal	

---

My successor should tidy up this section.
